PROFILE

BCA graduate with practical training in MERN Stack Development from FIIT Institute and hands-on experience in frontend development. Completed a one-month Frontend Developer internship at KRDS Software Pvt. Ltd., Thiruvanmiyur, Chennai, using React.js, JavaScript, HTML, and Tailwind CSS. Developed real-world projects including a Delivery Website and a Netflix Clone. Seeking an entry-level Frontend Developer role to apply technical skills and contribute to modern web applications.

WORK EXPERIENCE

Krds software pvt ltd 01/11/2025 - 3/12/2025

Front-end developer

- Completed a one-month internship as a Front-end developer at KRDS Software Pvt. Ltd., Thiruvanmiyur, Chennai. Worked on developing responsive and user-friendly interfaces using React.js, JavaScript, HTML, and Tailwind CSS. Gained hands-on experience in building UI components, improving layout responsiveness, and understanding real-world frontend development practices in a professional software environment.

PROJECTS

- Food Delivery Website
- Developed a responsive food delivery website using React.js, JavaScript, HTML, and CSS.
- Built user-friendly interfaces with dynamic components for seamless interaction.
- Ensured cross-device responsiveness and smooth performance.
- Focused on clean UI, usability, and modern frontend development practices.
- Netflix Clone
- Built a Netflix-style web application using React.js and Firebase.
- Implemented user authentication and dynamic content rendering.
- Integrated Firebase for authentication and data management.
- Designed a responsive UI with a focus on smooth user experience and modern frontend standards.

EDUCATION

Bachelor of Computer Applications

Dharmamurthi Rao Bahadur Calavala Cunnan
Chetty Hindu College - 80% - 2022-2025
